

## ► ECE-HW/ST | MECHANICAL DETAILS & DRAWINGS

ECE-HW/ST | Mechanical Information Table

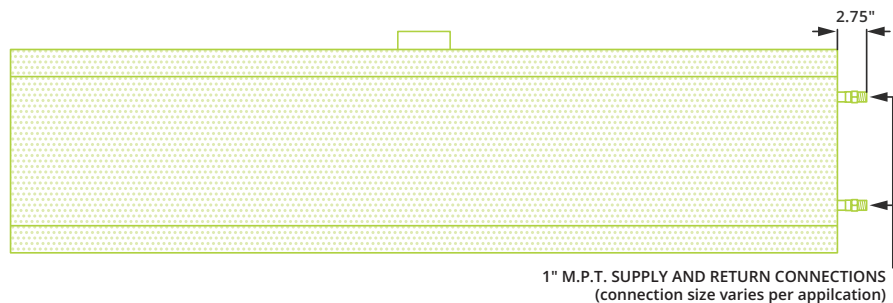

| MODEL          | Overall Width (in.) | Nozzle Width (in.) | Mounting Width (in.) |
|----------------|---------------------|--------------------|----------------------|
| ECE-1-36HW/ST  | 37                  | 36                 | 36.06                |
| ECE-1-42HW/ST  | 43                  | 42                 | 42.06                |
| ECE-1-48HW/ST  | 49                  | 48                 | 48.06                |
| ECE-1-60HW/ST  | 61                  | 60                 | 60.06                |
| ECE-2-72HW/ST  | 73                  | 72                 | 72.06                |
| ECE-2-84HW/ST  | 85                  | 84                 | 84.06                |
| ECE-2-96HW/ST  | 97                  | 96                 | 96.06                |
| ECE-3-108HW/ST | 109                 | 108                | 108.06               |
| ECE-3-120HW/ST | 119                 | 118                | 118.06               |
| ECE-3-132HW/ST | 134                 | 133                | 133.06               |
| ECE-4-144HW/ST | 146                 | 145                | 145.06               |
